INTRODUCTION
AND
GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of Southeastern Directories (publishers of the Fayetteville City Directory since 1906), presents to subscribers and the general public, this, the 1964 edition of the Fayetteville City Directory, which also includes Bonnie Doone, Drake Park, East Fayetteville, Lafayette Village, Lakedale, Massey Hill and Myrtle Hill.

Confidence in the growth of Fayetteville's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Fayetteville to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Fayetteville Directory will fulfill its mission as a source of authentic information pertaining to the community.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business section, which embraces a list of the names and addresses of all business and professional concerns of the community, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the community. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community like Fayetteville, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns, is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Fayetteville, and the name, official personnel, nature and address of each firm and corporation in the community.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of tenant-owned homes and the listing of telephone numbers.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

803208

Community Publicity

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Fayetteville and vicinity.

The Fayetteville Out-of-Town City Directory Library

Through the courtesy of the publishers of the Fayetteville City Directory, a Directory Library is maintained in the offices of the Fayetteville Area Chamber of Commerce Inc., for free reference by the general public. This is one of more than 1,000 Directory Libraries installed in the cities and towns throughout the United States, Canada and Puerto Rico by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

HILL DIRECTORY COMPANY,
Publishers.

The Fayetteville Area

CHAMBER of COMMERCE
MARKET HOUSE FAYETTEVILLE, NORTH CAROLINA

FAYETTEVILLE

"Downtown Fayetteville"

THE FABULOUS FAYETTEVILLE AREA

Fayetteville, the County Seat of Cumberland County, is in the Coastal Plains Section of North Carolina and is the Hub of a Seven County Area.

POPULATION:					SALES MANAGEMENT PROJECTION——— DECEMBER 31, 1964
	1940	1950	1960	1963	
City:	17,428	34,715	47,106		
White:		62.4 %	68.8 %		(11/10/63)
County:	59,320	96,006	148,418	171,300	176,600

People from each of the adjoining six counties are presently employed in the City of Fayetteville, or in industries that are situated adjacent to the City. These seven counties have a combined population of 415,739 and that is supplemented by those at nearby Fort Bragg and Pope Air Force Base.

These adjacent counties, together with 1960 population figures, are as follows:

Bladen 28,881	Moore 36,733
Harnett. 48,236	Robeson 89,102
Hoke 16,356	Sampson. . . . 48,013

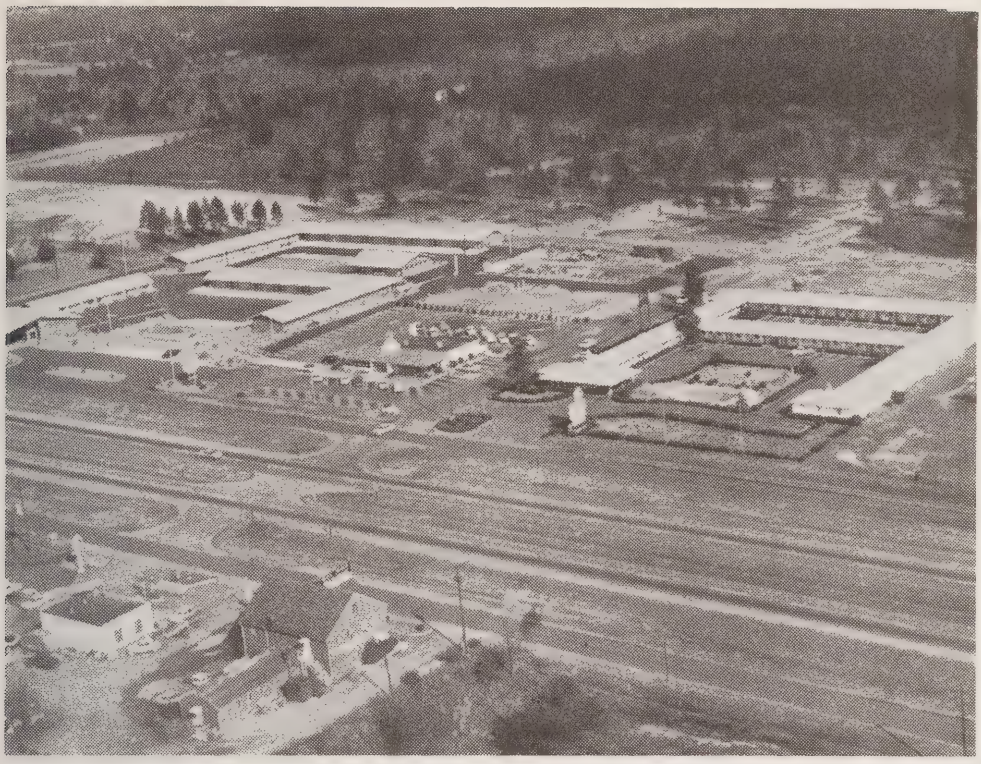
Cumberland County and Fayetteville experienced phenomenal growth as a result of activities at Fort Bragg and Pope Air Force Base during World War II. Because of a number of circumstances, this growth was not only retained but actually increased, as indicated by the figures above. Being situated mid-way on the principal route between New York and Florida has had its effect. The combination of Interstate Route 95 and U. S. Highways 301, 401 and 13 has developed the tourist business to the point that Cumberland County now ranks fifth in that phase of the State's economy, in spite of the fact that it is not a resort area.

Town of Spring Lake

Pictured here are two of several attractive smaller communities in Cumberland County. Spring Lake, shown above, registered a population of 4,110 in the 1960 census, and is situated ten miles north and west of Fayetteville on highways NC 24, NC 87 and NC 210, adjacent to Fort Bragg. It is also served by a branch line of the Atlantic Coast Line. Hope Mills, shown below, had a population of 1,109 in 1960. It is situated on NC 59, a belt line highway connecting US 401 North with US 401 South, US 301 South and I 95 South. It is situated on the main line of the A. C. L., the V. & C. S. and is about five miles from Fayetteville municipal airport. There are numerous other very attractive smaller communities in Cumberland County, all of which are situated on either highway, rail or both. A review of the population pattern will indicate that of 170,000 county residents, some hundred thousand live in the area outside the City of Fayetteville.

Town of Hope Mills

A hotel and motel haven of rest for the tired traveler or the bushed business baron.



HOTEL ROOMS - 347 MOTEL ROOMS - 1,114

Situated on Interstate 95, US 13, US 301, US 401, NC 24, NC 53, NC 59, NC 71, NC 87 and NC 210, Fayetteville is host nightly to hundreds of people going in all directions. Being midway on the Florida/New York Throughway, hotels and motels in the area have been forced to maintain modern facilities which will fill better the needs of the traveler on a tight budget and the one who demands the best. All are air conditioned for your comfort and include television. Most all either have their own fine restaurant or there is one near by.

The hotels and some motels are located downtown, and many of the motel units are between the Municipal Airport and downtown. Several have special meeting rooms that will accommodate from twelve to one hundred-twenty for meals, more for meetings. In season, most all have modern pools for a refreshing dip during the daytime or for a bit of relaxing before retiring. Should you have a bit of time to spare, Fayetteville is quite historic and offers a number of interesting places to visit. Weekdays, weather permitting, there are mass parachute drops of both men and equipment at near-by Fort Bragg, home of the STRAC Command and the famous 82nd Airborne Division. These are open to the public.

"Holiday Inn" —144 Units Horne's—132 Units

Americana (60) and Howard Johnson (50) Motels, Together With Restaurants US 301

"THE FAYETTEVILLE AREA IS A SHOPPER'S DELIGHT"

Modern department stores, smart specialty shops, together with drug and variety stores in the area fill the shopping needs and requirements of local residents and also many from the surrounding counties.

Evidence of the growing retail portion of The Fayetteville Area Economy is reflected in the retail sales in Cumberland County during the past few years—

General information on the downtown section and outlying shopping centers is given on the pages which follow.

DOWNTOWN IN FAYETTEVILLE!!!!!!

Modern department stores and smart specialty shops, together with progressive and complete appliance, drug, furniture and variety stores in the downtown area, do an outstanding job of serving the needs of shoppers, not only of Cumberland County, but of quite a portion of the surrounding counties, extending into South Carolina.

Unlike the national trend, Fayetteville's downtown area has shown a continuous development and growth. During the past year, extensive additions have been made by Belk-Hensdale, J. C. Penney Co. and Sears department stores and the S. H. Kress variety store has been enlarged considerably.

Many buildings in the downtown area have been modernized to match new bank buildings of Branch Bank & Trust Co., First-Citizens Bank & Trust Co. and First Union National Bank. Guaranty Savings & Loan has recently completed its second enlargement and complete modernization. Home Federal Savings & Loan has also completed an extensive enlargement which will complement Fayetteville's new Federal building.

Most all major auto dealers have basic operation in Downtown Fayetteville.

Many restaurants and snack bars are scattered throughout the area to serve shoppers and those who are employed in offices throughout Downtown Fayetteville.

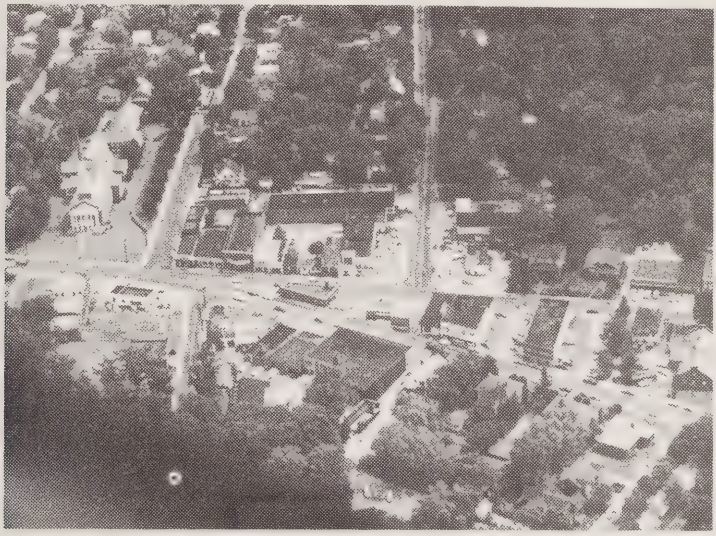
Not following the present nation-wide trend, Downtown Fayetteville has continued to develop and expand in spite of several new shopping centers in the outlying areas! This can be attributed primarily to three factors.

1. Progressive financial institutions and merchants have kept pace with the population growth by programs of both expansion and modernization.

2. City, County and Federal agencies are still located in the downtown business area and are in the process of expansion.

3. The Downtown Fayetteville Area is just off Highway I 95, US 13, US 301, US 401, NC 24, NC 53, NC 87 and NC 210. This opens a convenient door to a tremendous potential among the population along those routes as well as the tremendous New York/Florida tourist market which passes just off the downtown area.

Union Bus Station with over 100 schedules daily and the passenger station at the Atlantic Coast Line with ten trains daily supplement these factors. Local bus service is also available into the downtown area from as far out as eight miles.



King Shopping Center

KING SHOPPING CENTER

Situated in the 3400 block on Bragg Boulevard, King's serves several new residential developments in addition to others that have been established for some time. Being on six lanes, NC 24 and NC 87 causes its facilities to be very accessible from most any spot in the area. The largest public eating facility in the community is located in this center. Developments presently under construction and others on file with the City Planning Department assure its continued growth. Its facilities today are quite complete and are supplemented by retail, food and service operations along the Boulevard. As might be observed, ample room remains for expansion in the future.

HAYMOUNT SHOPPING CENTER

Haymount, as might be surmised from the photo below, is situated in an area which not too many years ago was on the outskirts of the City. It is situated where Fayetteville's Main street, Hay, splits to become Fort Bragg Road and Morganton Road. In Haymount, one can find the answer to most all needs, even having its own fire station (No. 2) and post office. Traffic in the area is increased by general office operations and the fact that it is situated at a crossroads serving numerous areas to the west and southwest of the downtown area. Specialty shops, service operations and eating establishments provide the answer to most any shopper's needs.

Haymount Shopping Center

EUTAW SHOPPING CENTER

"Eutaw", located in the 20th block off busy Bragg Boulevard, is a most complete shopping center that has never stopped growing since it was first opened in 1954. Because of the fact that it was planned with the future in mind it can continue to grow for years and yet have adequate room for parking. Its facilities serve quite an area on either side of the six lane boulevard which carries NC 24 and NC 87. It is easily accessible from most any point in the area.

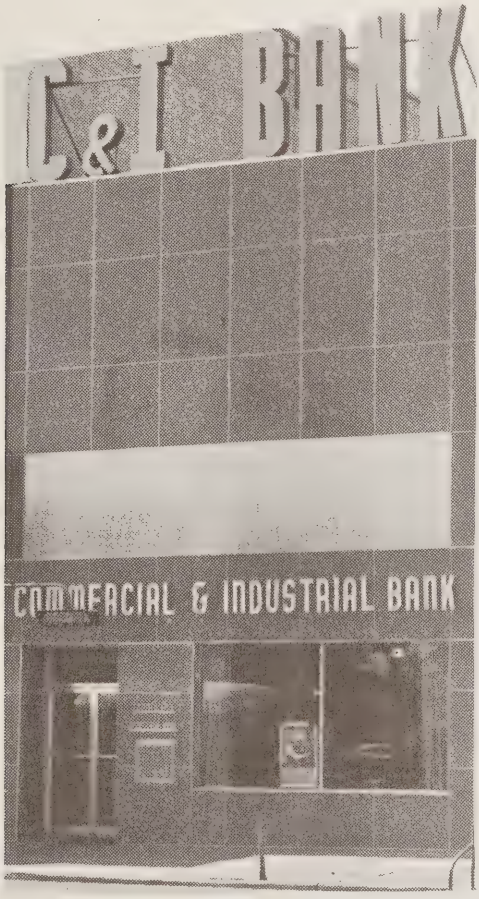
Eutaw Shopping Center

TALLYWOOD SHOPPING CENTER

The photo below hardly does justice to Tallywood! With new starts almost weekly, any picture is dated. As might be judged, this center was designed with the future in mind and well that it was. It is situated on US 401 and is in the very heart of many existing developments plus others that are on the drawing boards. In addition to the highway which it faces, it is just off the principal by-pass, connecting US 401 South with US 301 and Interstate 95.

Tallywood Shopping Center

BANKING IN THE FAYETTEVILLE AREA



IS PROGRESSIVE AND CONVENIENT

BRANCH BANKING & TRUST COMPANY - 214 Burgess Street (Temporary), 1214 Morganton Road, and 123 Rowan Street. Resources as of December 31, 1963, $145,804,676.65.

FIRST-CITIZENS BANK & TRUST COMPANY - Green Street (Downtown) 2617 Bragg Boulevard, 1213 Fort Bragg Road, 2621 Raeford Road, and 325 Person Street (Downtown). Resources as of December 20, 1963, $372,995,617.85.

COMMERCIAL & INDUSTRIAL BANK - 327 Hay Street (Downtown), Ray Avenue & Maiden Lane (Downtown) Eutaw Branch, Owen Drive Branch, and 118 North Main, Spring Lake, N. C. Resources as of December 31, 1963, $8,681,613.15.

FIRST UNION NATIONAL BANK - 230 Donaldson Street (Downtown), and 4549 Raeford Road. Resources as of December 31, 1963, $439,993,238.33.

SOUTHERN NATIONAL BANK - 214 Hay Street (Downtown), 3307 Bragg Boulevard, 3012 Raeford Road, Town Hall, Hope Mills, N. C., and Main Street, Raeford, N. C. Resources as of December 20, 1963, $30,940,513.17.

THE FAYETTEVILLE AREA PRESENTLY HAS THREE ACTIVE SAVINGS AND LOAN ASSOCIATIONS - ALL CURRENTLY RETURNING FOUR AND ONE FOURTH PER CENT!!!

HOME FEDERAL SAVINGS & LOAN ASSOCIATION - Assets - $34,112,-658.83, as of December 31, 1963. Main Office - 241 Green Street, Branch - 3107 Raeford Road, Branch - Lumberton, N. C., - Branch - Spring Lake.

All three savings and loans in Fayetteville have registered continued and healty growth along with the community. Deposits in all three are insured to $10,000 by Federal Savings and Loan Insurance Corporation.

CROSS CREEK SAVINGS & LOAN ASSOCIATION - Assets - $12,945,333.13, as of December 31, 1963. Main Office - 124 Anderson Street, Branch - 1401 Morganton Road.

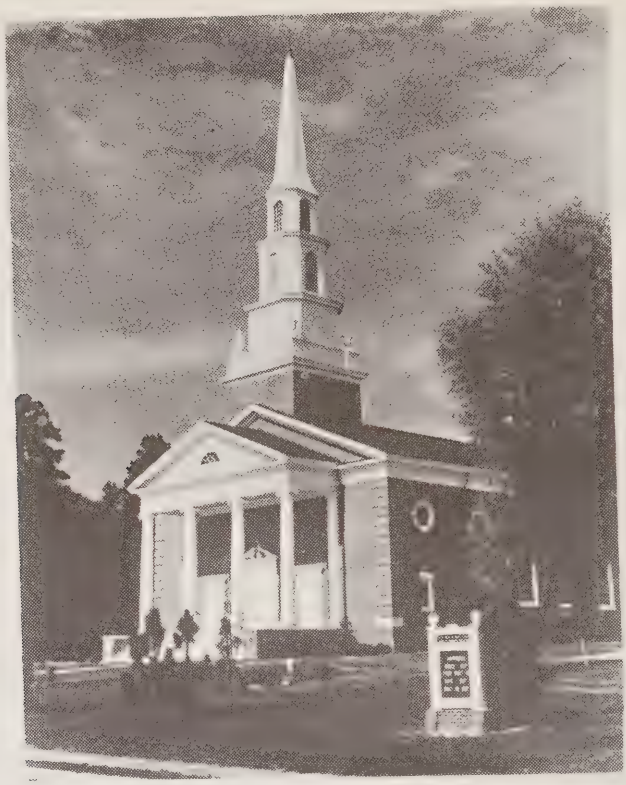
GUARANTY SAVINGS & LOAN ASSOCIATION - Assets - $9,166,061.39, as of December 30, 1963. Main Office - Green Street at Bow, Branch - St. Pauls, N. C., Branch - Fairmont, N. C.

Pine Trees and Brick Homes Abound Throughout Cumberland County.

BRICK HOMES ROLLING TERRAIN PINE TREES

These Three factors, blended with beautiful flowers and friendly people, cause The Fayetteville Area to be a wonderful place to live, grow up, retire or visit. The homes pictured above are quite typical of the many livable homes in the area, whether in the City of Fayetteville or in the urban area.

Since the 1960 Bureau of the Census Study, Cumberland County has seen five thousand new homes erected. These vary from the conservative houses at $9,000 to those on one acre to two acre lots overlooking beautiful lakes. These homes seem to all be conveniently close to churches, schools and shopping centers, with splendid bus service to the downtown area. Homes are available for either sale or rent. For those who prefer the convenient apartment life to that of the homeowner, with his many responsibilities, there are several to select from and additional units constantly under construction.



The several developments included in the aerial photograph shown below emphasize the well planned curved drives and streets that tend to lessen the monotony of the straight streets in days gone by.

Evergreen & Welmar
($15—$20,000) ($14—$18,000)

Fayetteville and Cumberland County, with some two hundred churches, could rightfully be termed "A Community of Churches." The two churches shown are splendid examples of the influence of churches through the years. First Presbyterian, pictured below, was the result of the original Scots, who came up the Cape Fear River to establish homes on its banks. It was originally built, as it stands today, in 1800, being restored following a disastrous fire in 1831 which destroyed all but two houses in the community. Snyder Memorial Baptist, built in 1959, gives evidence of a continued fine influence within the community. In addition to most all protestant faiths, the Fayetteville Area also has a beautiful new Jewish Synagogue, Beth Israel, and a fine Greek Orthodox Hellenic Community Center.

Listed in the current Fayetteville telephone directory are the following churches—Assembly of God, One; Baptist, Seventeen; Catholic, Two; Christian, One; Christian and Missionary Alliance, One; Church of Christ, One; Congregational, One; Episcopal, Two; Greek Orthodox, One, Holiness, Two; interdenominational, One; Jehovahs Witnesses, One; Jewish, One; Latter Day Saints; One; Lutheran, Three; Methodist, Eleven; Non-Denominational, One; Presbyterian, Eight; Salvation Army, One and Seventh-Day Adventist, One.

Snyder Memorial Baptist Church

First Presbyterian Church

As indicated by this list, the Baptist, Methodist and Presbyterian faiths are predominant in the community in that order. Presently under construction are new sanctuaries for several of the churches for completely new congregations. Among the new sanctuaries included in the totals above are St.-Patrick's Catholic and Haymount Methodist. Peace Presbyterian is one of the newer congregations with a new sanctuary that is not included above.

Unison of the local religious community is especially evidenced by the unanimous financial support given to the new Methodist College by people of all faiths. The older and original churches in downtown Fayetteville are still most active and strong, and are open to the public for meditation and prayer throughout the week. Their chimes and bells lend a restful and reverent atmosphere to the downtown portion of the city. Those located in the immediate downtown area are First Baptist Church, First Presbyterian Church, Hay Street Methodist Church and St. John's Episcopal Church.

"Twelve Months Golf"

"TWELVE MONTHS GOLF"

Fayetteville's two Country Clubs, Highland (shown above) and Green Valley, both have splendid facilities and challenging eighteen hole courses. A new clubhouse is currently under construction by Green Valley.

For the really avid golfer, The Fayetteville Area is a paradise! Ten miles north and west of Fayetteville lies Fort Bragg, which also has two outstanding courses, both eighteen holes.

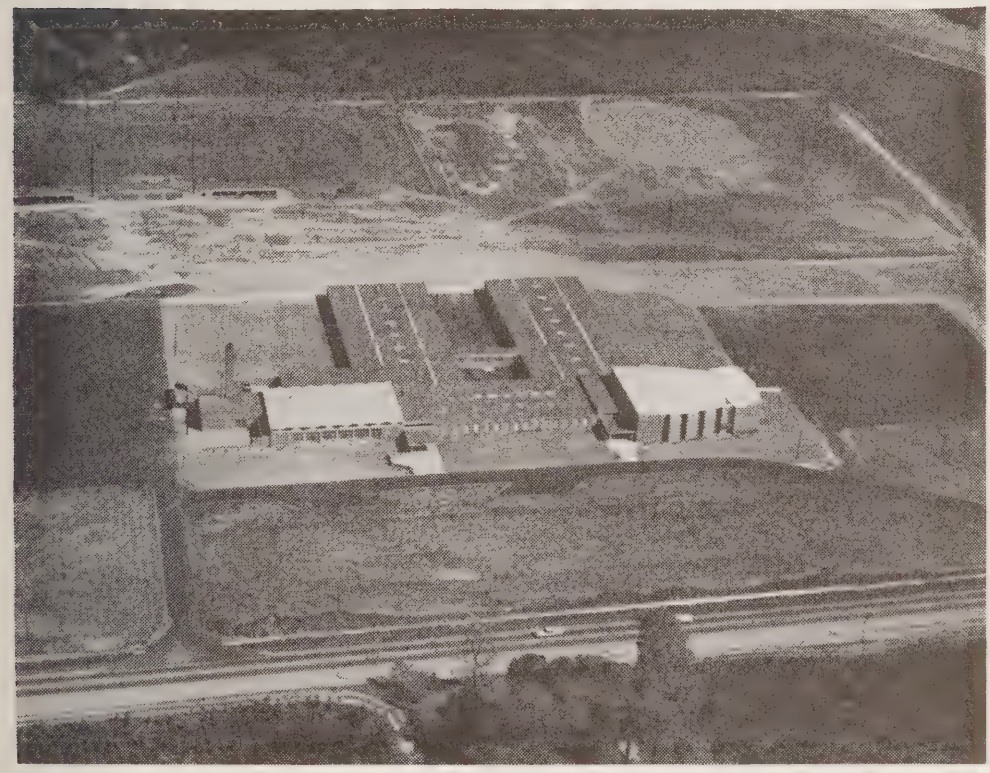
Immediately adjoining The Fort Bragg Reservation is the world famous Pinehurst - Southern Pines Golf Empire which offers eight courses comprising one hundred thirty-five holes.

A favorite of many in Fayetteville is a nine hole pitch and putt course. It is also home of the internationally famous Putt-Putt Golf Courses, two of which are operated in the City.

Within a thirty-five mile radius of Fayetteville, one could play on a different course every other day during the month with little inconvenience and no duplication!

Fayetteville Senior High School

Fayetteville City and Cumberland County School Systems



Both the City of Fayetteville and Cumberland County are proud of their modern school systems. Above is one of two high schools in the City; below is one of ten in the County system.

Enrollment - Fayetteville		Enrollment - Cumberland County	
Grade	7,877	Grade	17,096

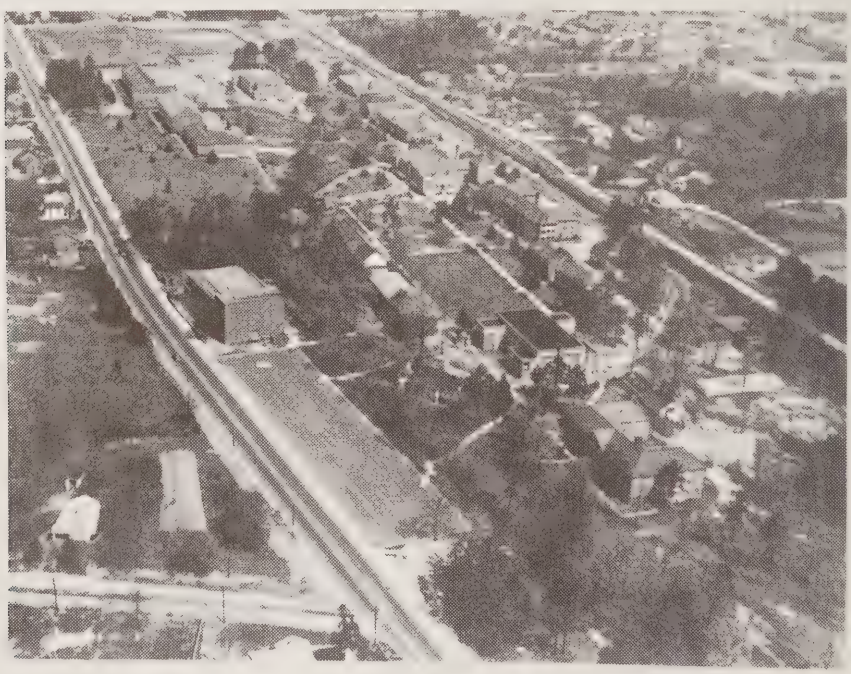
Seventy-First High School

METHODIST COLLEGE



METHODIST COLLEGE is a project, still in process, of which all persons in the area are proud! Opening in the Fall of 1960 with day students only, it became a four year co-educational liberal arts college with 1963 Fall semester. It graduated its first class in 1964! Sponsored financially by the Methodist Church and people of the area, the plant presently consists of Classroom, Student Union, Science and Dormitory Buildings. Construction is now in process on the Library and will start soon on two additional dormitories and the Chapel. Present enrollment totals 525 and is from seventeen states in addition to North Carolina. The faculty numbers 35.

Methodist College

WORTH BUSINESS COLLEGE is a modern, well equipped school which offers both day and night classes. A well qualified staff of seven instructors presently serves 100 day and 90 night students.

FAYETTEVILLE STATE COLLEGE, fully accredited, was organized in 1877. It is a fine four year school, operated by the State of North Carolina and presently has an enrollment of 1,166. In addition to its courses for teachers, it also offers several in the vocational fields. It is co-educational, the faculty numbers 68.

Fayetteville State College

FAYETTEVILLE TECHNICAL INSTITUTE

This fine modern structure was provided by the people of The Fayetteville Area and is operated by the State of North Carolina. Training provided by the Fayetteville Technical Institute consists of both pre-employment and on the job. Following joint job analysis by the school staff and the prospective employer, training classes may be set up either in the school, the employer's plant, or in other suitable quarters. Instructors will be provided by the State. The Employment Security Commission, which has a Divisional Office in Fayetteville, will administer general aptitude tests and refer potential employees to firms for selection prior to actual training. This facility has very modern equipment for use in training and is constantly entering new fields. The program is set up in such a manner that new courses can be provided to fit most any business or industrial need. The institute can and will operate around the clock if needs be.

Fayetteville Technical Institute

Employment as of February 29, 1964 was as follows: *

Instructors:	Full Time - 23	Students:	Day - 193
	Part Time - 28		Night - 522

The Fayetteville Area has been classified as one with surplus available labor for some time and will most likely continue so into the future. Originally, a portion of this surplus was caused by the rapid expansion of the City of Fayetteville and nearby Spring Lake. Between 1940 and 1960 The Bureau of the Census reported a drop of over 1,000 farm units in Cumberland County. The occupants of these units formed a surplus that has been increased monthly by military separations at nearby Fort Bragg. Today, many of these separations are twenty year men, ages 38-42, who have had extensive technical experience in fields such as electronics. Estimated population within twenty-five mile radius is 172,950 as of June 8, 1964.

HOSPITALS

Designed for expansion, Cape Fear Valley Hospital now has 200 beds. Is is situated on a site that was acquired with full consideration for expanded needs. HIGHSMITH MEMORIAL HOSPITAL has 127 beds. Both are operated by Cumberland County.

Physicians and surgeons in the Fayetteville Area total 68; dentists 28.

The hospitals shown on this page are supplemented by the very modern new 500 bed Womack Hospital at Fort Bragg.

There are 14 licensed Rest Homes, and 5 Nursing Homes.

The U. S. VETERANS ADMINISTRATION HOSPITAL has 390 beds and is situated on a site that would permit expansion if needed. Physicians attached to the Veterans Hospital number 23; dentists 2.

Cape Fear Valley Hospital

Highsmith Memorial Hospital

Veterans Hospital

CITY AND COUNTY GOVERNMENT

The City of Fayetteville operates with a Council-Manager form of municipal government. The members of the Council and the Mayor are elected, the Manager appointed;

Fayetteville City Hall

The City operated a very active street maintenance and improvement program. Its sanitary department provides garbage pickup three times weekly in the residential area with the most modern equipment; oftener downtown. This department uses a land fill method of disposal.

Water and sewage facilities are described in detail elsewhere.

	City	County
Assessed Value of Property	$88,021,573.00	$160,000,000.00
Bonded Indebetedness	4,678,000.00	9,380,000.00
Tax Rate (Per $100 Valuation)	1.18	1.64
Special School Rate-Cross Creek Township (Fayetteville)		.25
Rural Fire Tax Rate		.10

Both the City of Fayetteville and Cumberland County are in excellent fiscal condition in spite of the tremendous growth and expansion in recent years.

LAW ENFORCEMENT	CITY	COUNTY
Personnel -	Police Dept. 78 Traffic Dept. 10	Sheriff's Dept. 51
Equipment -	Police Dept. 13 Mobile Traffic Dept. 8 Mobile	Sheriff's Dept. 17 Mobile

Cumberland County is governed by an elected Board of Commissioners.

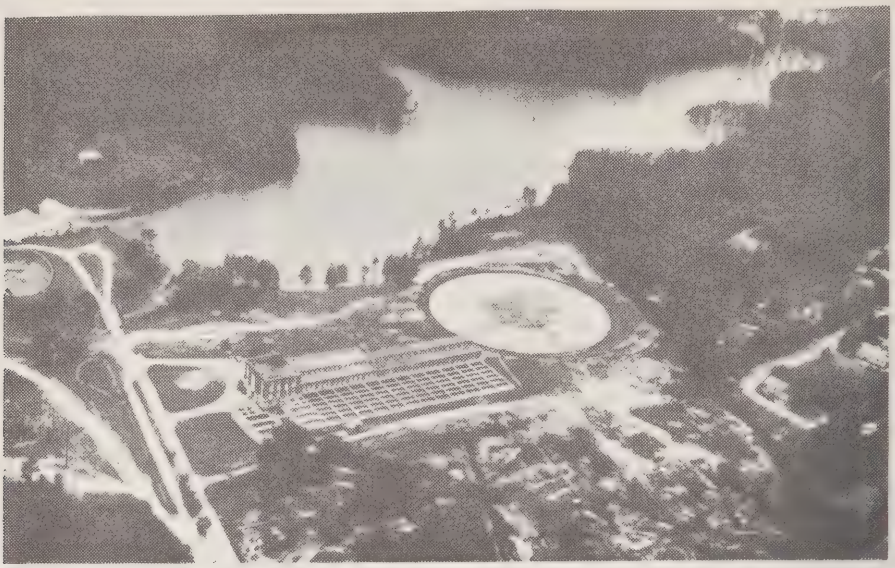
County roads are maintained by the North Carolina State Highway Department, which has both District and Division offices in Fayetteville.

The County operates a very complete Health Department.

Cumberland County Court House

To supplement the City and County agencies, especially in promoting safety on the roads and highways, is Troop B Headquarters of the North Carolina State Highway Patrol. Its staff of 23 employees also provides daily service in processing driver's license examinations. Equipment consists of 14 mobile units.

Fayetteville Fire Station No. 5



FIRE PROTECTION

City of Fayetteville

The City of Fayetteville maintains a most adequate fire department which gives local businesses and industries the benefit of an NB3 Insurance Rating; as fine as any in the State of North Carolina. This is accomplished through the combination of modern equipment and adequate training facilities. Presently there are five stations, Central Station being located in the downtown area and the other four at strategic points throughout the city. The permanent force is 74 with 20 additional volunteers. There are twenty-one pieces of mobile equipment, all with radio control from Central Station. The average water pressure maintained at hydrants is 65 pounds. A system of 258 alarm boxes are situated at strategic places throughout the city. Industries situated adjacent to the city, however outside the actual city limits, may arrange for protection by the City Fire Department under certain conditions. In a number of instances, city water mains have been extended to service industries under such conditions. A very thorough inspection program keeps fire hazards at a minimun and also permits members of the department to be familiar with structures throughout the city. A fire prevention educational program is carried on continually with the city school system. The fire department also operates a rescue squad and has special equipment for that purpose.

Cumberland County

Twelve volunteer or community fire departments are operated throughout the County. The rural fire tax rate is ten cents per $100 of assessed valuation. This, of course, is not payable by those in Cross Creek Township (Fayetteville). These units function with a total personnel of 300 and in several instances, include reserve squads in addition to those of the fire department activities. Their pieces of mobile equipment total twenty-nine and in most all instances include two-way radio contact between the various stations and members of the volunteer forces. These units in the county have a very active program which includes several rescue squads with special equipment. All are housed in buildings constructed and equipped for the service.

Water Treatment Plant

WATER AND SEWER TREATMENT PLANTS

Fayetteville has a very modern water system that is definitely designed for the future as well as the present. Today its supply of soft, high grade water comes from a system of surface lakes which should be quite adequate for years to come, even with the present rapid rate of growth. The average pressure is 65 pounds and that is assured primarily by three elevated one million gallon reservoirs. The Public Works Commission, which operates the water supply and distribution system for the City of Fayetteville, has done a most creditable job of filling current needs and anticipating those of the future. To supplement the existing system of lakes, the Commission has recently installed a new twelve million gallon pump on the Cape Fear River, with a direct line to the water treatment plant shown above.

The sewage disposal plant below, is most modern and as may be seen, is designed for expansion to meet future needs. This service is also operated by the Public Works Commission and is constantly expanding to meet the increasing needs of a rapidly growing community. The plant services are expanded and maintained out of operating revenue. It is designed to handle industrial as well as domestic waste.

Sewage Disposal Plant

OVER 100 INTERCITY SCHEDULES BY TRAILWAYS AND GREYOUND USE THIS TERMINAL DAILY!!!

RAILROADS: The main line of the Atlantic Coast Line Railroad provides five trains daily to New York and Washington (in season—six). Service is also operated to both coasts of Florida and Atlanta to the south. Piggy back freight service if available and the ACL operates a branch line from Sanford to the State Port at Wilmington. Three other railroads provide the area with splendid freight service—The Aberdeen and Rockfish, The Cape Fear and The Norfolk-Southern. All four have desirable industrial sites.

AIR SERVICE is provided by Piedmont Airlines. Their equipment presently is F27 or Martin 404, as shown left below. Through plane service to Washington, Atlanta, Cincinnati, Louisville and Norfolk is provided by twelve flights daily. Air taxi or charter service is available as are complete facilities for servicing and storing transient aircraft. Grannis Field has twenty-four hour tower operation and is equipped with ILS.

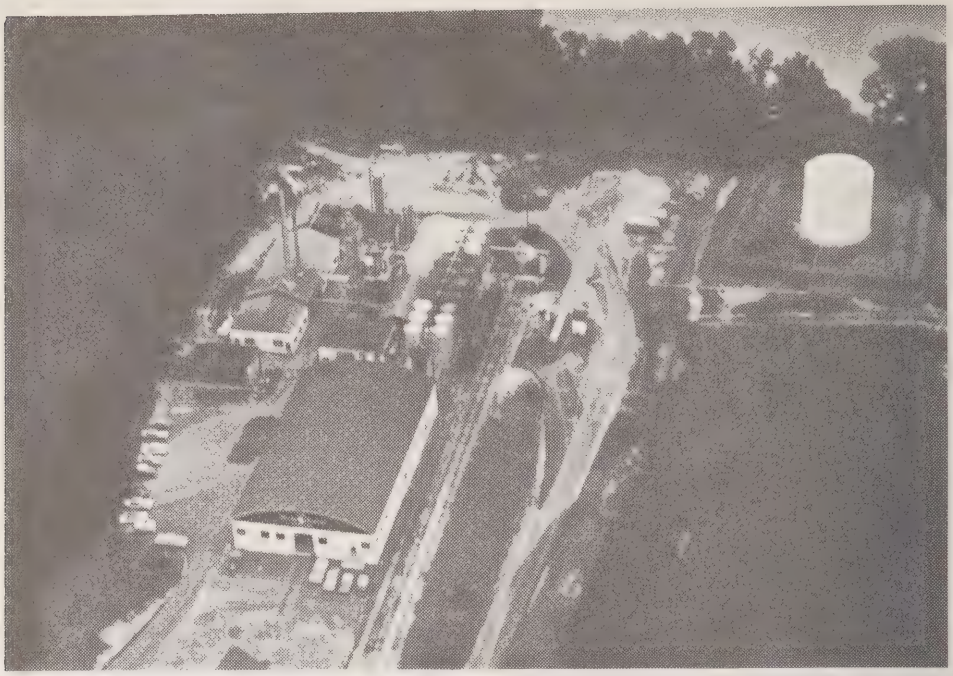
TRUCK LINES AND TERMINAL: Truck lines serving Fayetteville are Associated Transport, Edmac Trucking Co., McLean Trucking Co., Miller Motor Express, New Dixie Motor Lines, Inc., Overnite Transportation, Roadway Express, Summit Freight Line, Thurston Motor Lines, Carolina-Norfolk, Standard Trucking, Morrow Transfer Co., Johnson Motor Lines, Old Dominion Bottom Fisks, Colonial Motor Freight Lines and Branch Trucking Co.

Through busses to New York, Montreal, Chicago, Memphis, Miami, Dallas, and Washington provide unusually good package service, as well.

CAPE FEAR COACHES provides frequent schedules from downtown to eight miles out from the principal business section. Cabs are plentiful and principal car rental firms operate in the city and at the airport.

"HUMBLE OIL TERMINAL ON THE CAPE RIVER AT FAYETTEVILLE"

The barge above on the Cape Fear River is delivering oil from the Atlantic Coast. Just upstream from this terminal is another operated by Gulf. Fayetteville is the head of navigation.



Cape Fear Feed Products presently uses in excess of one million gallons each day which it returns to the river. Being a comparatively new operation, its use of water transportation is in the future.

Esso Barge Asphalt—Petroleum Terminal From The River Side.

Cape Fear Feed Products—On The Cape Fear.

Borden Chemical Co.—Formaldehyde—On The Cape Fear.

The Borden Chemical Company plant produces formaldehyde. It has been nearly doubled in size since its opening in 1957. Although transportation is presently via rail or truck, the Cape Fear is available just behind as you can see.

CUMBERLAND COUNTY'S INDUSTRIAL ECONOMY

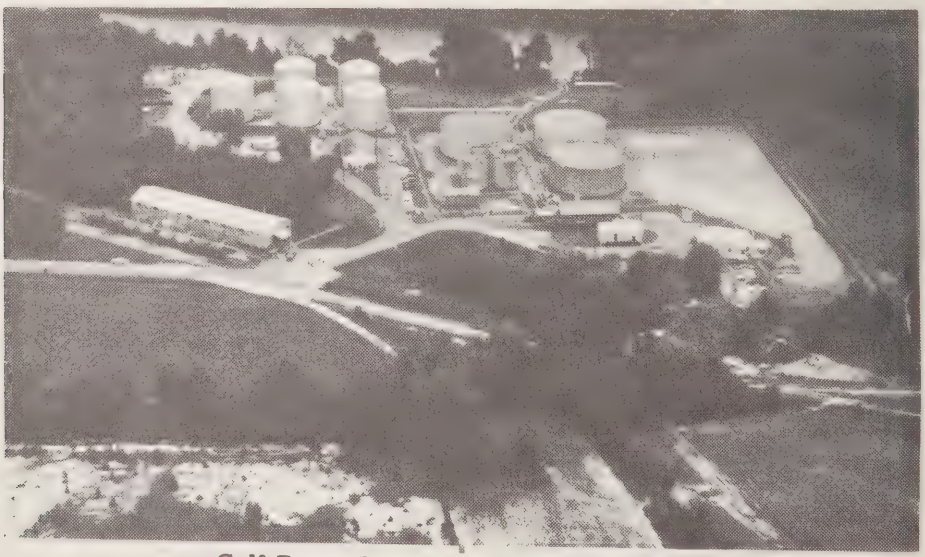
The area's industrial economy is quite diversified, with textiles and related lines providing the largest employment. Burlington Industries, Inc. operates two plants in Fayetteville and several others in the general area. The plant pictured is a weaving operation and the other, Lakedale, produces yarn for Fayetteville Fabrics. Both these plants are a portion of the Mens Wear Division which has its headquarters in the fabric plant.

Burlington Industries—Fayetteville Fabrics

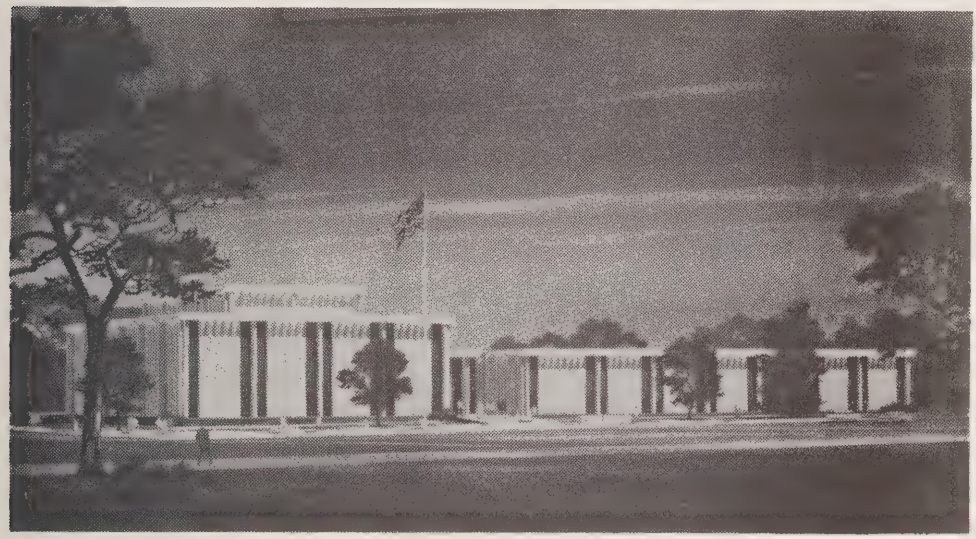
Burlington also operates its own transportation system, which maintains a large terminal in Fayetteville. Another textile operation in Cumberland County is Elk-Eastern Mills which produces cotton yarn at the plant in Hope Mills. Holt-Williamson, in Fayetteville, produces corded cotton and synthetic yarns, wristing for work gloves and does raw stock dyeing. Malkinet, Inc., in Fayetteville, is a lace production, basically synthetics. Rockfish-Mebane Yarn Mills, Inc. operates plants producing knitting and thread yarn at Cumberland and cotton yarn at Hope Mills. Tolar, Hart & Holt Mills, Inc. also operates a yarn spinning mill in Fayetteville. At present there is only one cut and sew plant in the county, however, several are situated in nearby counties. Kings Point Manufacturing Co., Inc. operates one of Fayetteville's newer firms in a modern air conditioned plant. It is engaged primarily in contract cut and sew work. Another national firm that has found the Fayetteville Area climate attractive and profitable is American Bakeries Company which produces bread and rolls for the area in the plant shown.

American Bakeries

Another Specialty manufacturer in the area is Christy Manufacturing Company which ships its sewn and stuffed toys all over the United States and into some foreign countries as well. With a growing population such as that of the Fayetteville Area, service operations are, of course, quite necessary. Pictured is the very modern plant of National Linen Company which serves quite an area in addition to Cumberland County.



Fayetteville Linen Service



Fasco Industries—Ventilating & Heating Equipment

Pictured above is the plant of Fasco Industries, Inc., which produces air circulators and heating devices. Operations in the metal field have increased considerably in recent years. Most recent to enter the area was Canam, Inc., a manufacturer of tobacco tying machines, which started production January, 1963. The parent firm is the Brantford Oven and Rack Company, Ltd. of Brantford, Ontario. Expansion into fields now served by the Canadian firm are planned for the future. Also active in the metal field are Union Corrugated Co., Hersules Steel Company, Inc. and several others set up primarily to either service existing metal equipment or to design and fabricate new. Two firms, primarily engaged in productions related to agriculture are the Planters Chemical Corporation and Cape Fear Feed Products, Inc. The latter firm is active in the foreign as well as domestic poultry feed supplement markets. Both of these firms have entered the area during the past five years and found results to warrent expansion over original planning. Capitol Manufacturing Company, a manufacturer of picture mouldings, is another comparative newcomer that has found need for expansion several times since locating in the area. Other phases of the woodwork field are quite active with Rankin Brothers producing plywood chair seats, backs, arms, legs, industrial plywood parts in its plant.

Gulf Barge Terminal On The Cape Fear.

Novelty Furniture Company manufactures small furniture in its operations and basket bottoms and dimensional squares are the products of West Lumber and Box Company in its plant. Thomason Chipboard Company produces chipboard and Southern Resin Glue Company, wood adhesives in their plants. Ideal Brick Company is an established and growing manufacturer as are several others in the construction or related fields. Pipe, Inc. manufactures and ships a great deal of concrete pipe. Concrete and cinder blocks are products of Cape Fear Block Company and Fay Block Company. The area has a splendid group of construction companies, experienced and justified to handle most any need. This does not nearly include all the manufacturers presently operating in the Fayetteville Area, and is intended only to emphasize the diversity that presently exists among successful operations. Pictured in the Gulf Terminal which once again indicates one of the many advantages offered by the Fayetteville Area for the location of industries which can make use of water either for cooling, processing or transporting. The Fayetteville Area provides a very health climate for industrial operation as evidenced by both the expansion of existing facilities and completely new operations during the past few years.

CAUTION....

Pay no money in advance to itinerant Directory canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

EVERY STORE

should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer expects.

The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

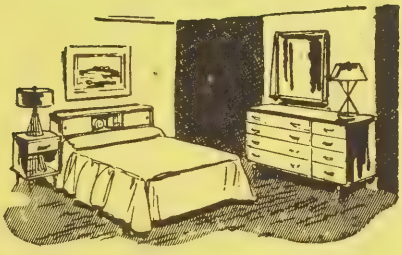
OUT OF SIGHT! OUT OF MIND! OUT OF BUSINESS! . . . . .



The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

Please! Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers —the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

Know Your Directory SYMBOLS

"r" AND "h"

Two important symbols are used in your City Directory. The symbol "r," before an address stands for "Resident." That person resides at that address but is not the head of the family or family head. The symbol "h" stands for "Householder"—the person in whose name the home is occupied.

Do your employers furnish you with the latest edition of the City Directory

?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

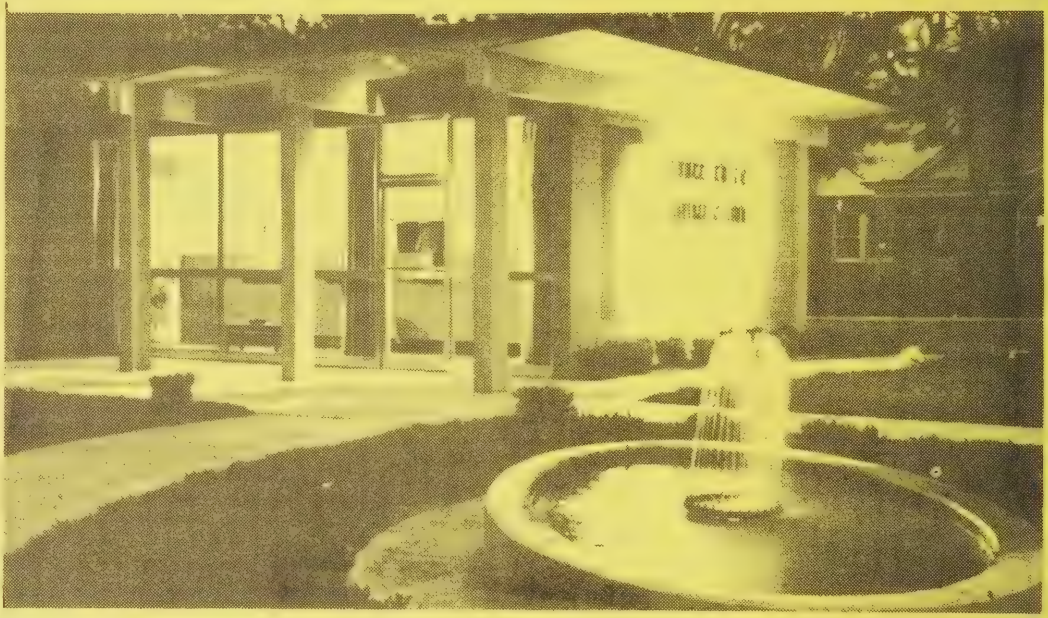
CASHIERS! TELLERS! CLERKS!



★

Do your employers furnish you with the latest edition of the City Directory?

★

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

EXPLANATION

Wives' names are listed with husbands'. The name of the wife is shown in parenthesis following the husband's as follows: Gregory Richd M (Mary L).

In case of a widow by death, wherever possible the name of the deceased husband is shown in parenthesis as follows: Gregory Mary L (wid Richd M).

The occupation and place of employment is listed as follows: Gregory Richd M (Mary L) slsmn Starr Clothing Co.

Names in **heavy type** denote advertisers in this City Directory.

Ownership or co-ownership of a firm is indicated by showing the individuals name in parenthesis following the firm name, as follows: Carson Grocery Co (Geo B and Paul N Carson)

A firm name enclosed by parenthesis indicates ownership or co-ownership by the individual whose name precedes, as follows: Carson Geo B (Carson Grocery Co).

The head of the house is indicated by h preceding the street address; other members of the family and roomers are indicated by r preceding the street address.
